

std::exception

```
graph BT; MetisError --> Error; Error --> std_exception[std::exception];
```

The diagram illustrates a vertical inheritance hierarchy. At the base is a box labeled 'MetisError' with a gray background. A blue arrow points upwards from 'MetisError' to a box labeled 'Error' with a white background. Another blue arrow points upwards from 'Error' to a box labeled 'std::exception' with a light gray background. All boxes have a thin black border.

Error

MetisError
